BEHYDLE, Mich., April 12, 1889. MESSES, FOSTER MILBURN & Co. Dear Sirs: —I write that you may know the good I have received from the BURDOCK BLOOD BITTERS. I am now on the ninth bottle of your wonderful Bilters, and must confess I have received prompt cure of a long standing disease—SCROFULA. I have used dollar after dollars worth of medicines and received no relief, but the third bottle of B. B. B. I found great rest. I have also used three bottles of Burdock Pills; they are the best medicine I ever took. I cannot praise them too highly. I do owe my whole life to them and can recom-mend them to every living soul that is afflicted with that dreadful disease, SCROF ULA. I was afflicted with lumps as large as an egg in my right side and large lumps on my throat, and my limbs were covered with a burning and itching rash, which very greatly annoyed me when near the warm stove. I had spent a great deal of money trying to get relief, and consulted the best medical treatment in the State, but all in vain, they did me no good whatever, and I had about given up when I thought I would try your medicines, and, thank God, they have cured me. I am a well woman to-day.
